Printing tips

- Print at actual size (100%), not "fit to page".
- Card stock works best for the signs, hats and ladder.
- St. Patrick's Day 2027 is Wednesday, March 17. Set the trap the night before!

Prints on US Letter and A4.

Notes From the Leprechaun

Grown-ups: leave one in the empty trap on St. Patrick's Day morning

Dear trap builder,

Nice try! Your trap was so comfy, I took a nap in it. Then I left!

The Leprechaun

Dear trap builder,

I loved the rainbow ladder. Climbed right up and out. See you next year!

The Leprechaun

Dear trap builder,

Thank you for the gold. I took it all. Ha!

The Leprechaun

Dear trap builder,

Your trap was clever. Very clever. But I'm a leprechaun!
