

# Your Elf Has Arrived!

Arrival letter · Fill in your elf's name

## Hello, friends!

My name is \_\_\_\_\_

I'm one of Santa's helpers, and I arrived the day after Thanksgiving to keep an eye on things until Christmas. Every night, while you're asleep, I fly back to the North Pole to tell Santa how your day went. By morning I'll be back, but in a new spot, so you'll have to find me.

### A few elf rules:

- ☆ Please don't touch me. It makes my magic wobbly.
- ☆ You can talk to me, and I'll pass your messages to Santa.
- ☆ Look for little notes from me in the mornings.
- ☆ I go home on Christmas Eve, but I'll come back next year.

See you in the morning!

Love, \_\_\_\_\_

## Hello, friends!

My name is \_\_\_\_\_

I'm one of Santa's helpers, and I arrived on the first of December to keep an eye on things until Christmas. Every night, while you're asleep, I fly back to the North Pole to tell Santa how your day went. By morning I'll be back, but in a new spot, so you'll have to find me.

# My Magic Needs a Rest

For when someone touches the elf · Two notes per page

## My magic needs a rest!

Oh dear! Someone touched me today, and a little of my magic fell out. Don't worry. If you sprinkle a pinch of cinnamon next to me tonight, or do something kind before bed, my magic will come back while you sleep, and I'll be in a new spot in the morning.

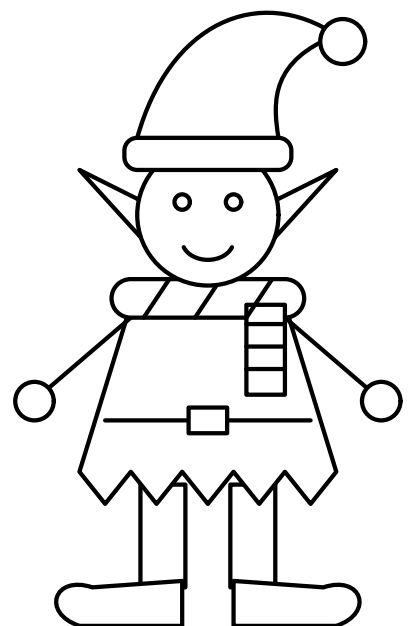

Love, your elf

**Dear friends,**

Tonight is Christmas Eve, so it's time for me to fly home to the North Pole with Santa. Thank you for having me this year. I've loved every morning hiding in your house, and I've told Santa all about you.
