Ages 9 to 12: detailed patterns	pages 15 to 20
8-night menorah tracker with the 2026 dates	bonus page

About the menorah

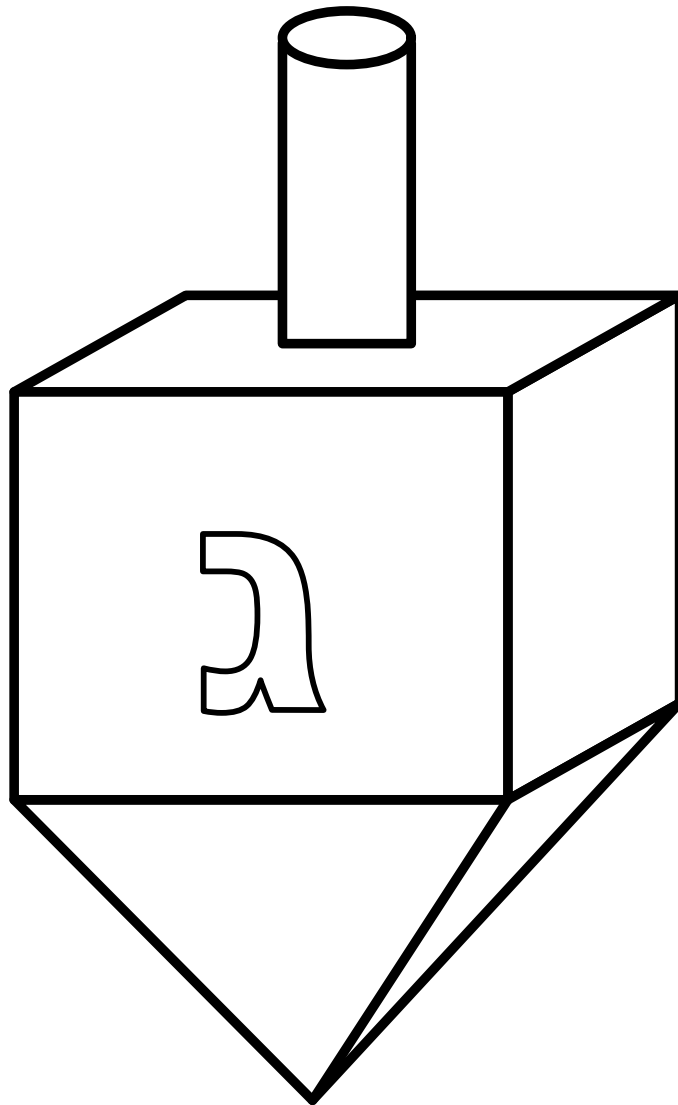

Every menorah in this pack has eight candles, one for each night, plus the shamash: the helper candle that sits a little higher and lights the others. Candles go in from right to left, and the newest one is lit first. A grown-up always does the lighting.

Prints on US Letter and A4. Free for home, classroom and Hebrew school use.

Dreidel

Ages 3 to 5 · Page 1 of 20

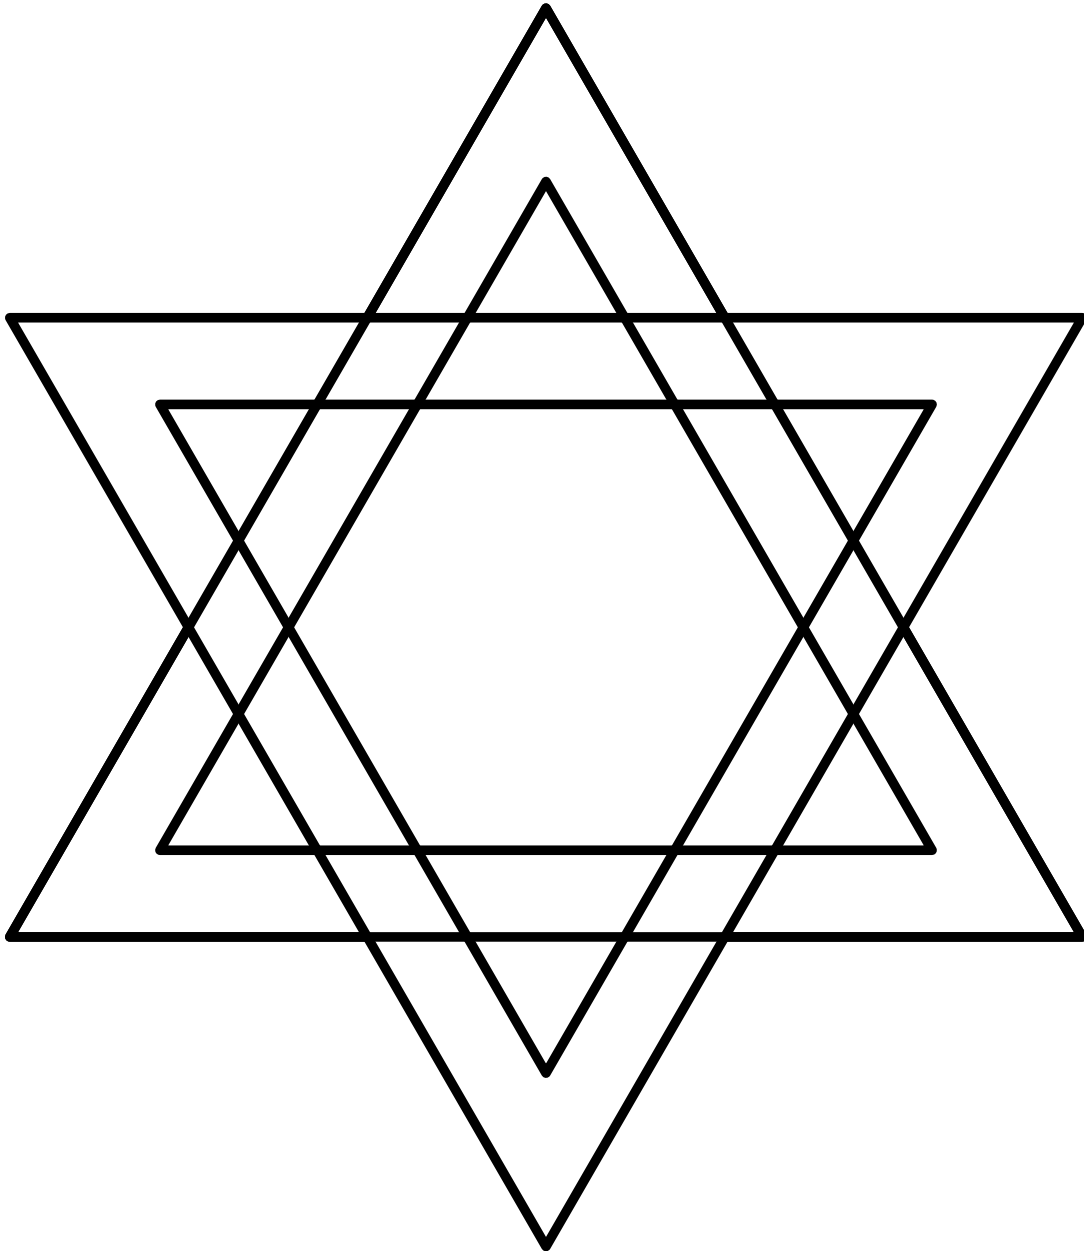

A dreidel. The spinning top kids play with all week.
