Before you start

1. Print at actual size (100%), not "fit to page". Card stock works best for the banner, menu card and tents.
2. Solid lines are for cutting. Dashed lines are for folding.
3. LED tea lights only. Never put a real candle near paper decorations.
4. Leaf confetti and small pieces stay out of reach of children under 3.

Prints on US Letter and A4. Instructions for each decoration are on craftifybud.com.
