Printing tips

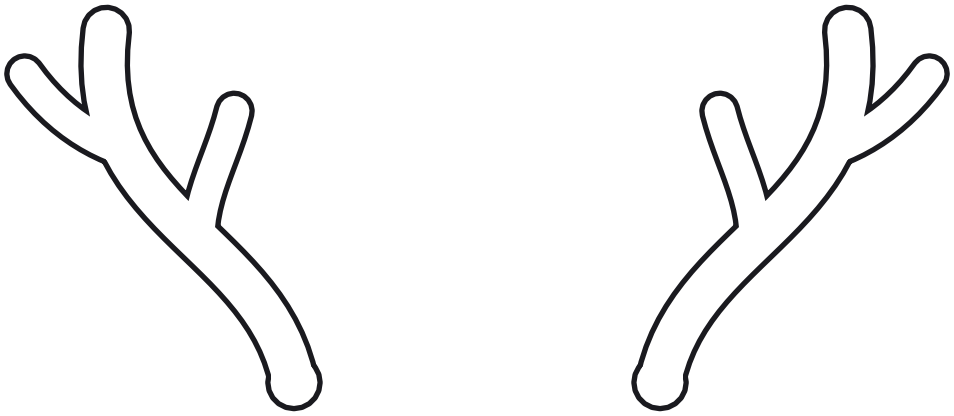

- Print at actual size (100%), not "fit to page".
- Card stock works best for the antlers, headband and ornaments.
- Cut on the solid lines and fold on the dotted lines. A grown-up can help with small pieces.
- Trace the templates onto brown paper or card for the paper plate and paper bag reindeer.

Prints on US Letter and A4.

Stand-Up Reindeer Ornaments

Color, cut around the outline and fold on the dotted line

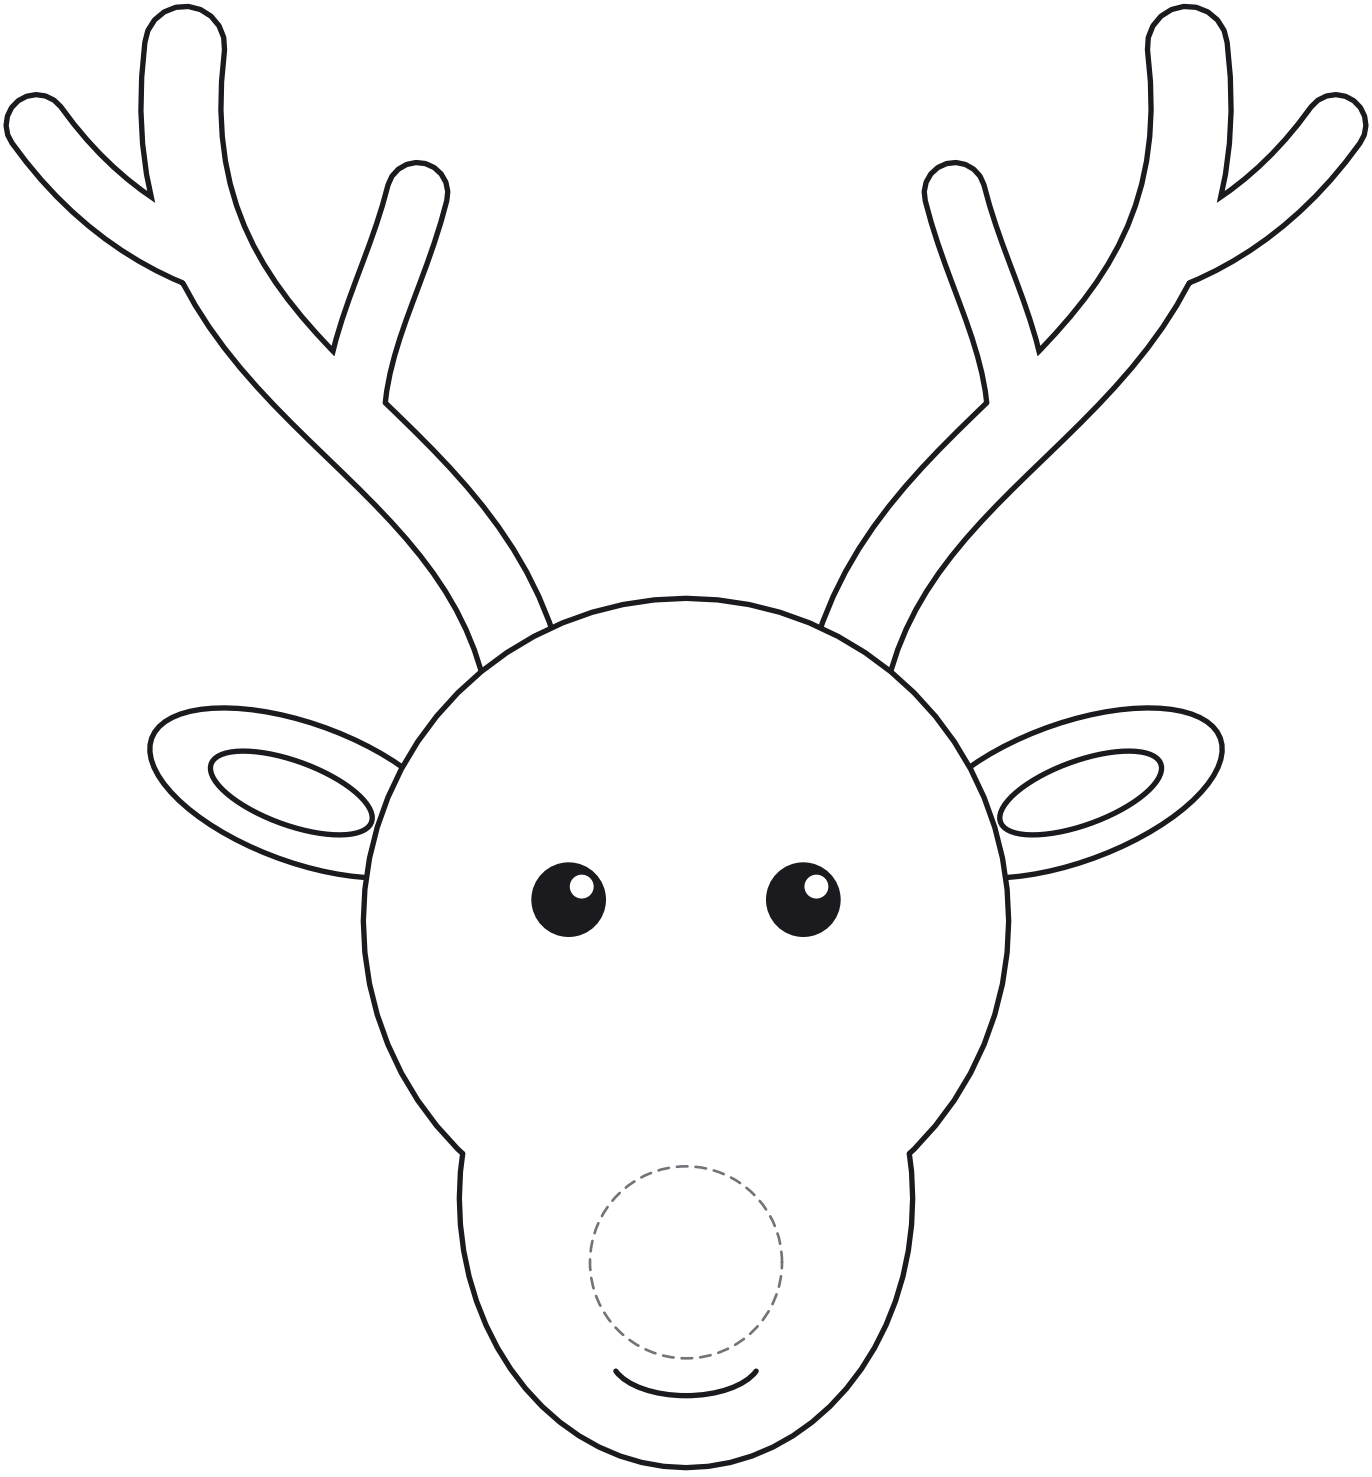

Fold so the face stands up. A dab of glue on the base helps it stand on a shelf.

Pin the Nose on the Reindeer

Tape to the wall at the kids' height

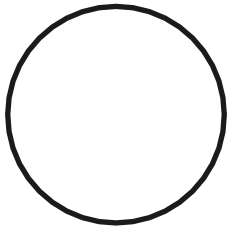

Nose goes here! Paper noses and rules are on the next page.

Paper Noses for the Game

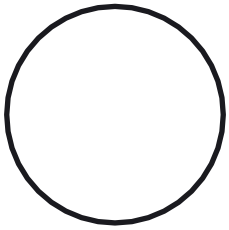

Write a name on each nose · Add tape on the back

How to play

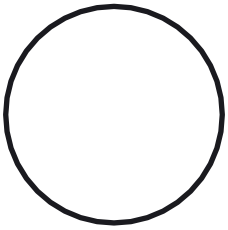

1. Give each player a paper nose with their name on it.
2. Cover their eyes with a scarf and spin them gently three times.
3. Point them at the reindeer and let them stick the nose on.
4. The nose closest to the dotted circle wins!

Sprinkle this on the lawn tonight,
the oats will shine in the moonlight.
The reindeer sniff it, high and far,
and know exactly where you are!

Oats and birdseed. No glitter, please!
