Secret Santa
Printables Pack

Questionnaires for kids, families and coworkers, plus everything to run the swap

What's inside

2. Kids questionnaire
3. Family questionnaire
4. Work questionnaire
5. Name draw slips
6. Organizer sheet
7. Tags and guessing cards
8. Thank you notes
9. Kind words cards

How to run it in 5 steps

1. Set the rules: a spending limit, a swap date, and homemade, bought or either.
2. Hand out the questionnaires and collect them a few days later.
3. Draw names with the slips. If someone draws themselves, put it back and draw again.
4. Give each person the form for the name they drew, folded so nobody else sees.
5. Swap the gifts, let everyone guess who their Secret Santa was, then reveal.

Fair play tips

- Pick a spending limit everyone is comfortable with and write it on the organizer sheet.
- Keep a couple of spare small gifts for anyone who forgets, and don't make a fuss about it.
- Always fill in the allergy line before anyone buys or bakes anything.
- Gifts not practical? Use the kind words cards and swap something nice instead.
