Printing tips

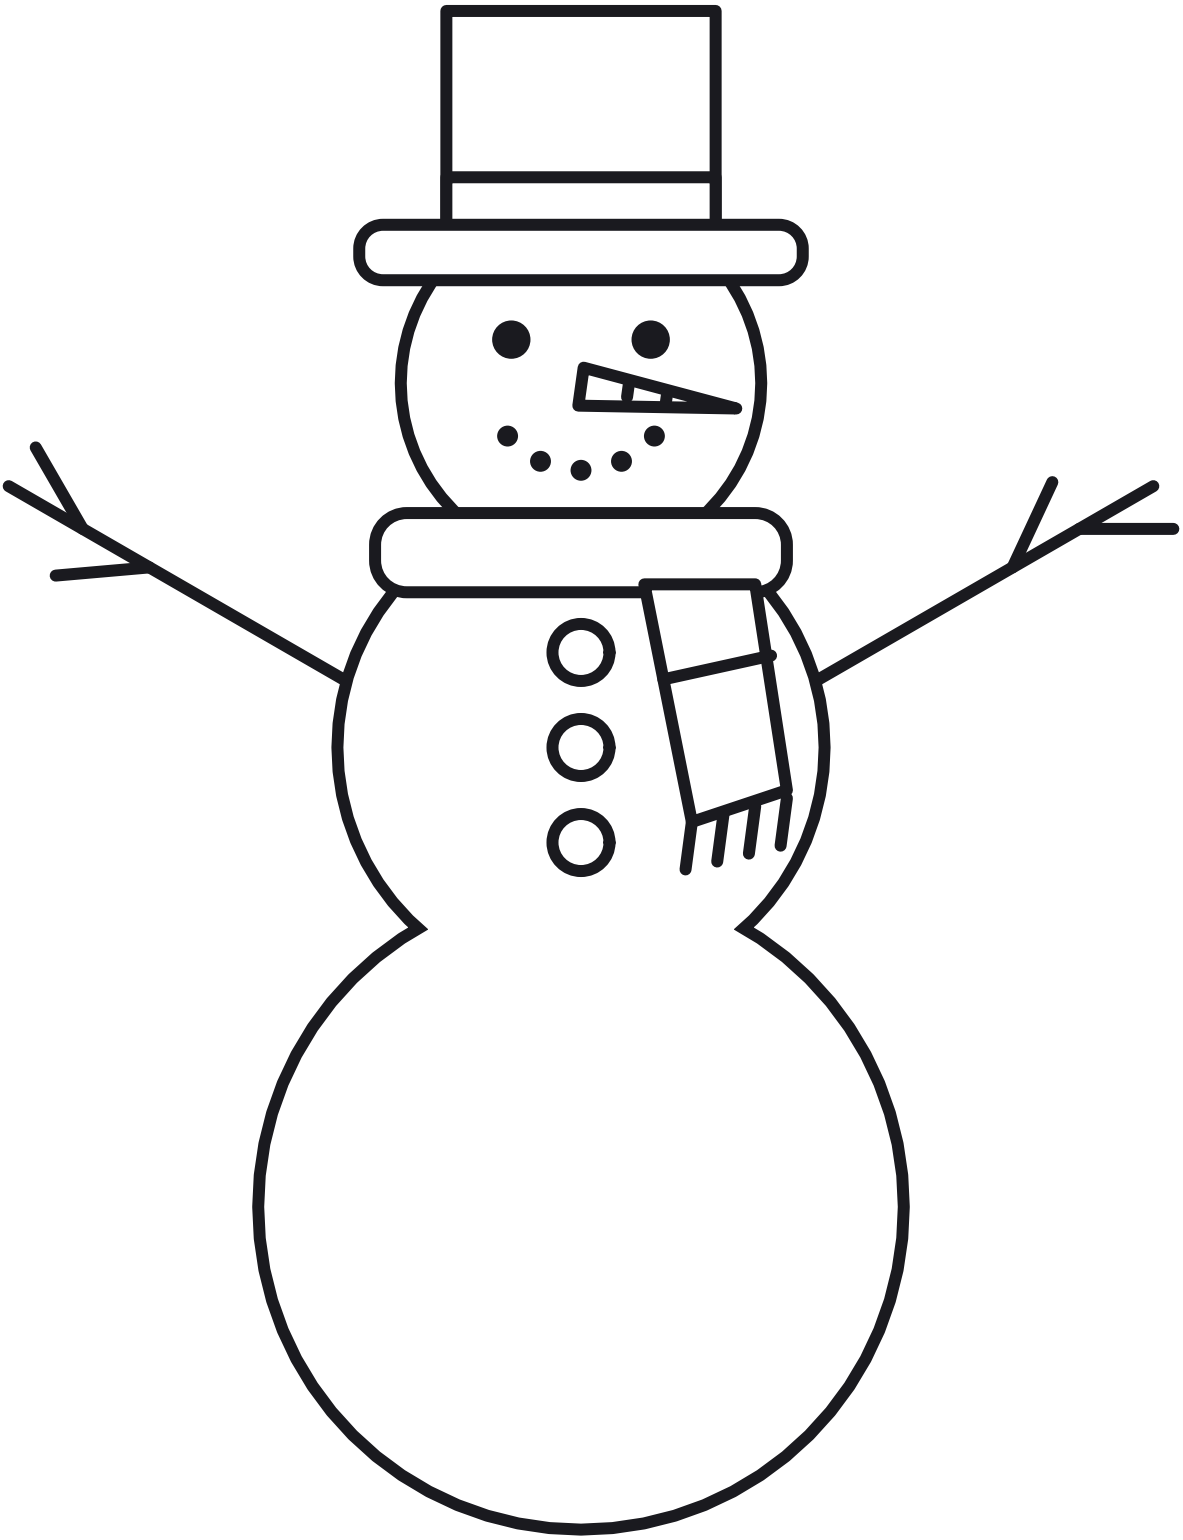

- Print at actual size (100%), not "fit to page".
- Easy pages have thick lines for crayons. Detailed pages are best with colored pencils or fine-tip markers.
- Print the Build a Snowman pieces on card stock if you can. They're easier for small hands to cut and glue.
- No need to color the snow: shade the edges light blue or gray and the snowman looks round.

Prints on US Letter and A4.
