Printing tips

- Print at actual size (100%), not "fit to page".
- Card stock works best for the flowers, wreath and mobile.
- Solid lines are cut lines. Dashed lines are fold lines.

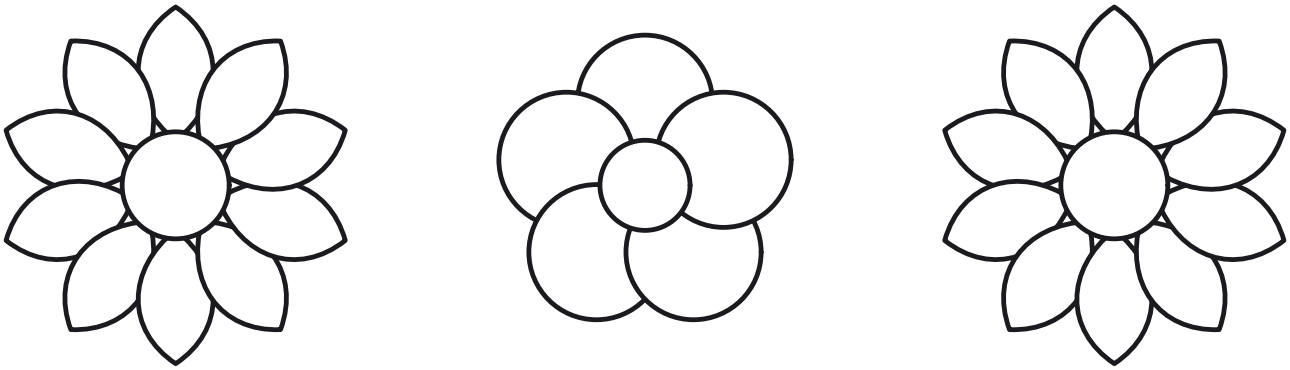

Prints on US Letter and A4.

Paper Flower Templates

Color, cut out and glue onto craft sticks or straws

Tulips

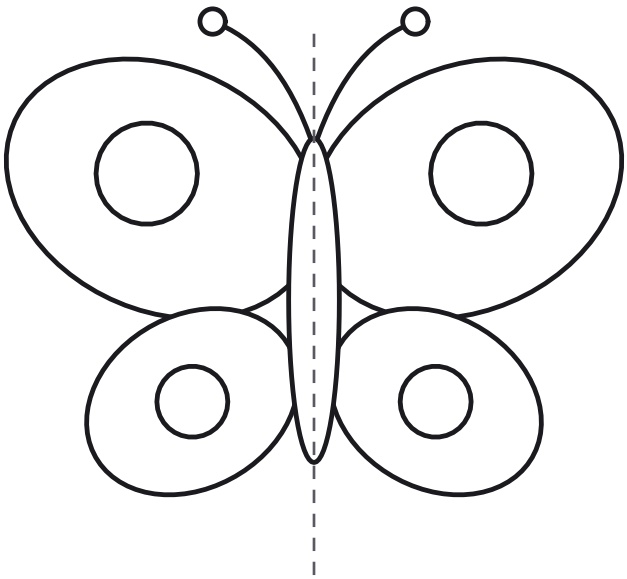

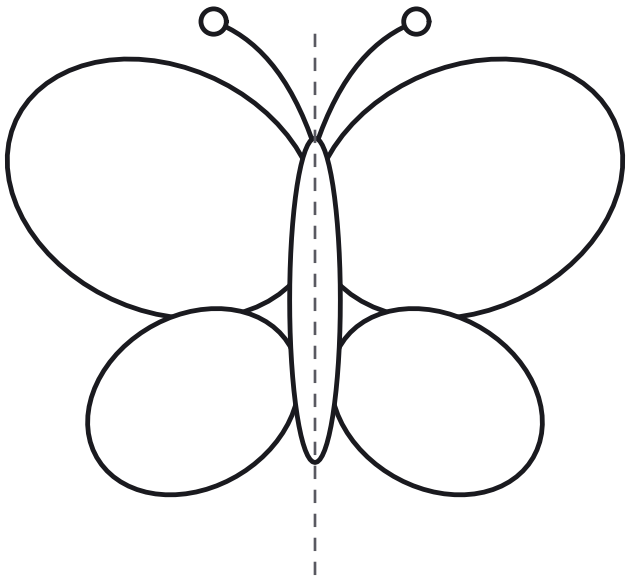

Daisies and a blossom

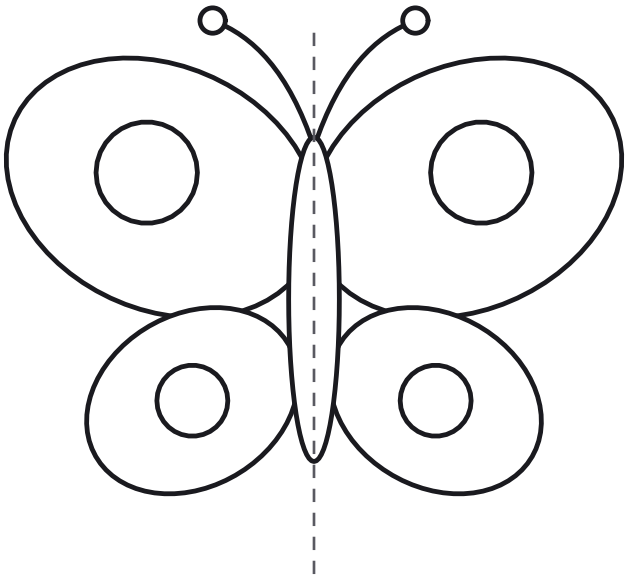

Glue two flowers back to back with a straw or craft stick in between for a flower that stands up.

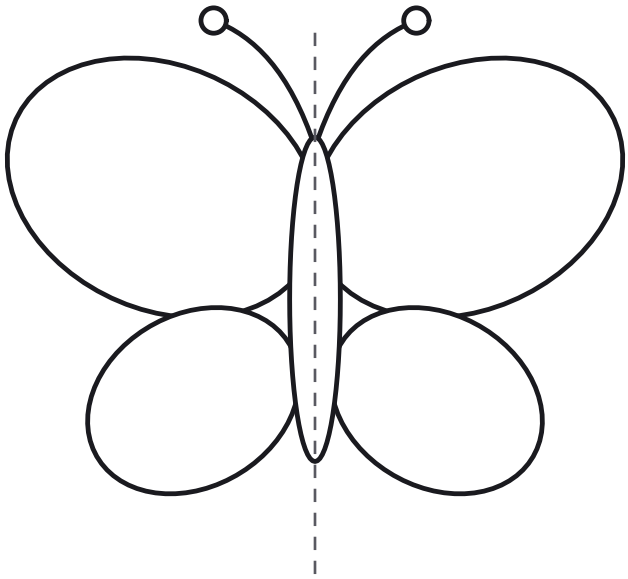

Butterfly Templates

Fold on the dashed line, cut, open and decorate

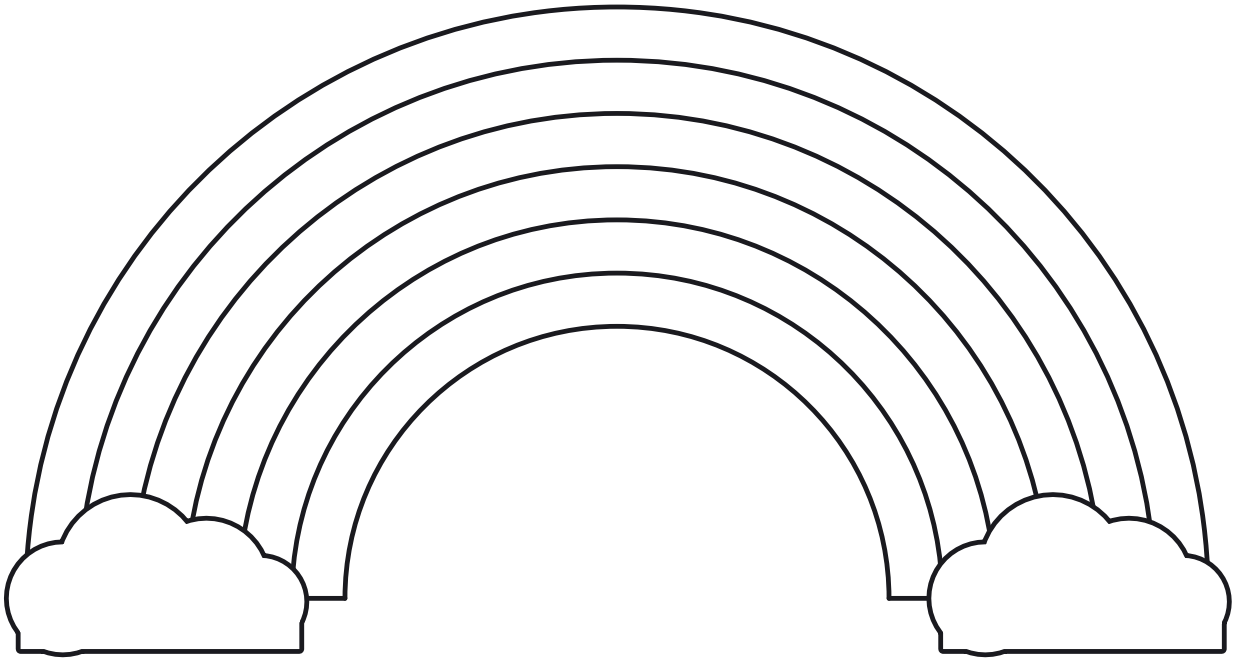

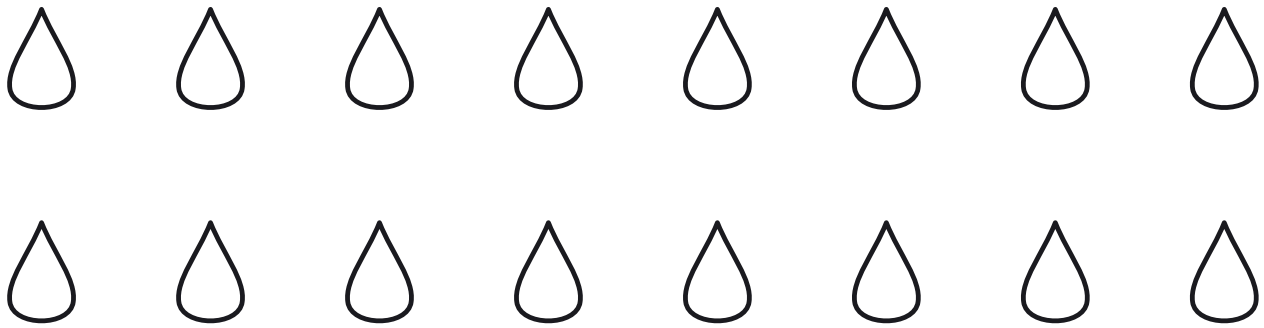

Rainbow and Cloud Mobile

Color, cut out, punch holes and hang with string

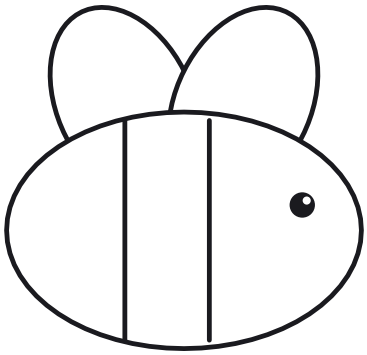

Raindrops to hang underneath

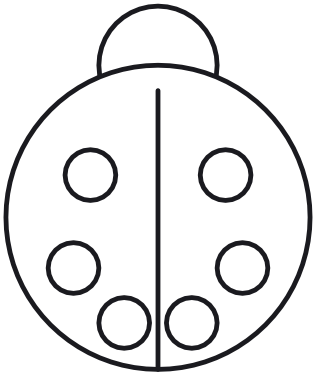

Garden Bugs

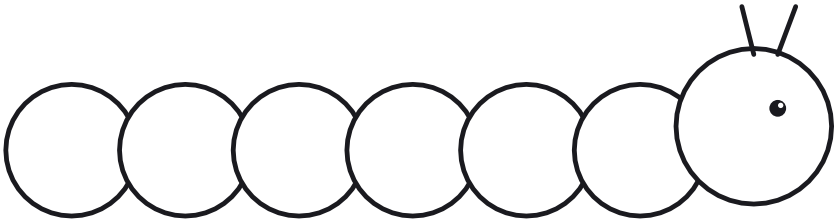

Color, cut out and glue onto clothespins, cards or craft sticks

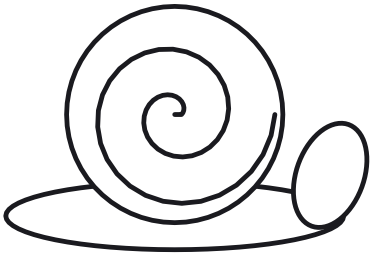

Bee

Ladybug

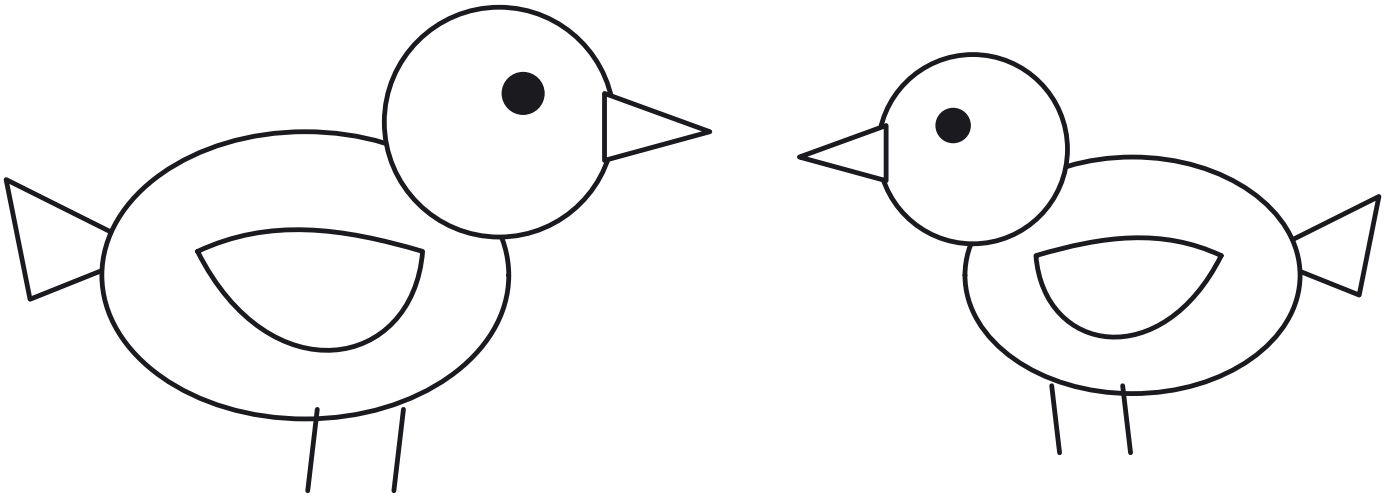

Caterpillar

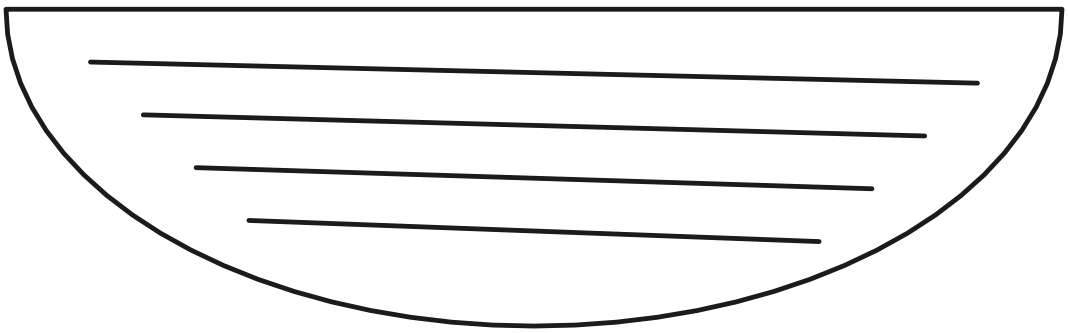

Snail

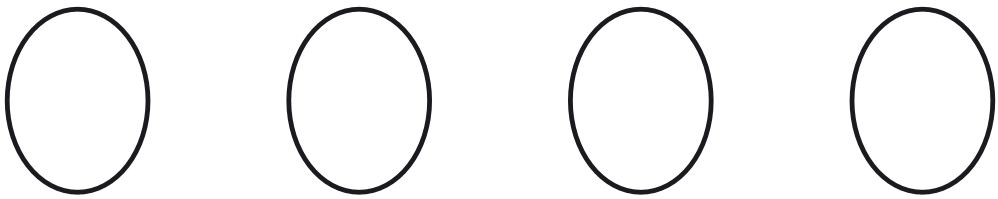

Bird and Nest Pieces

Glue the nest onto paper, add the eggs and the bird, then fill with shredded paper

Nest

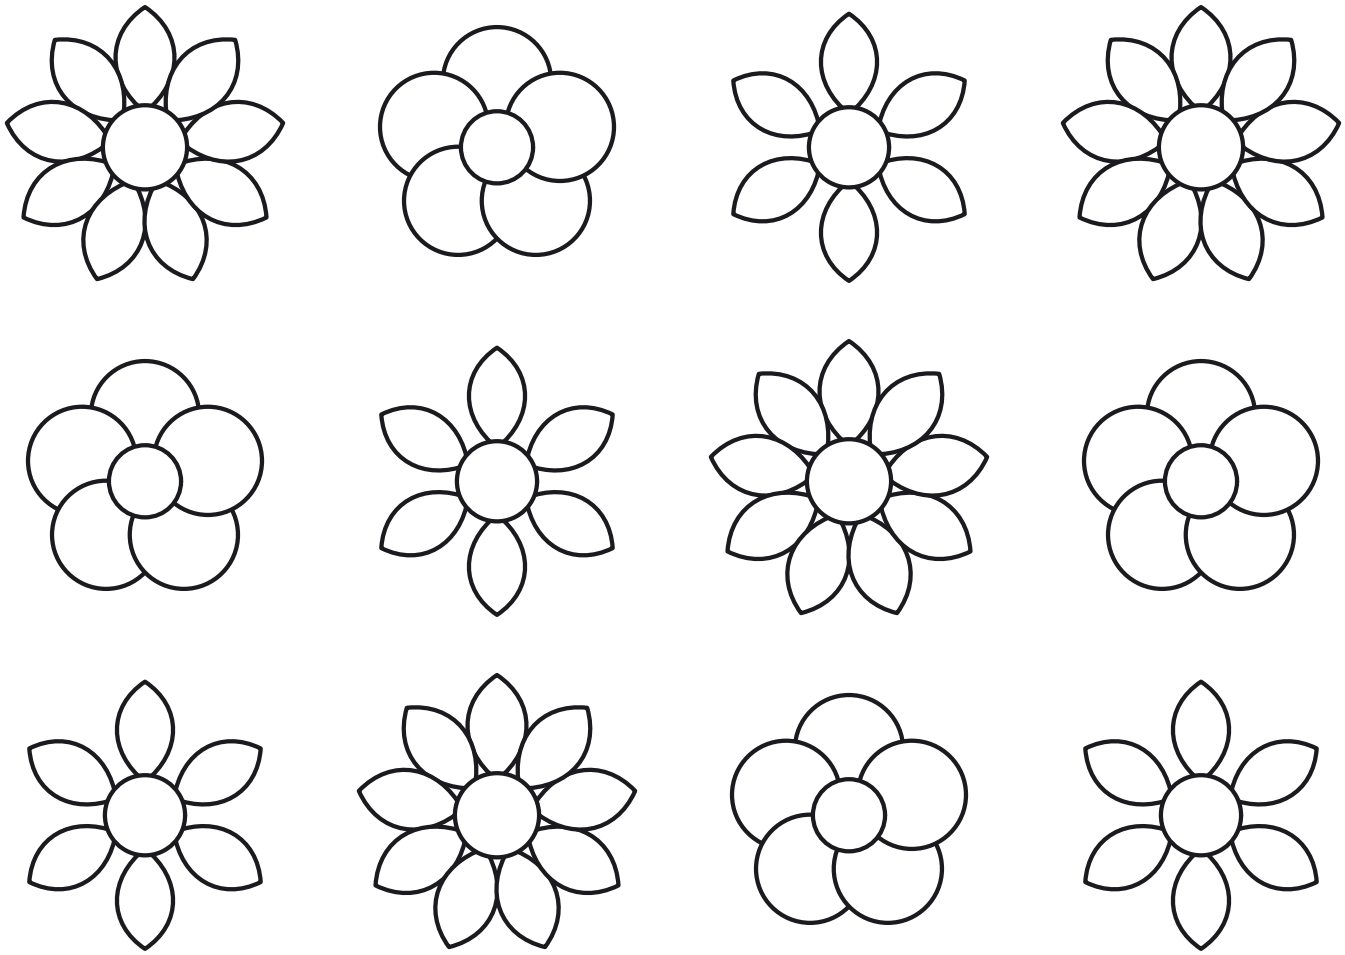

Eggs

Paper Plate Flower Wreath

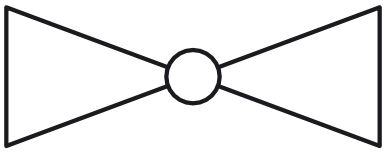

Cut the middle out of a paper plate, then glue the flowers and leaves around it

Leaves

Bow
