Also inside

p14 Valentine cards 1 to 4: color, cut and give
p15 Valentine cards 5 to 8

Printing tips

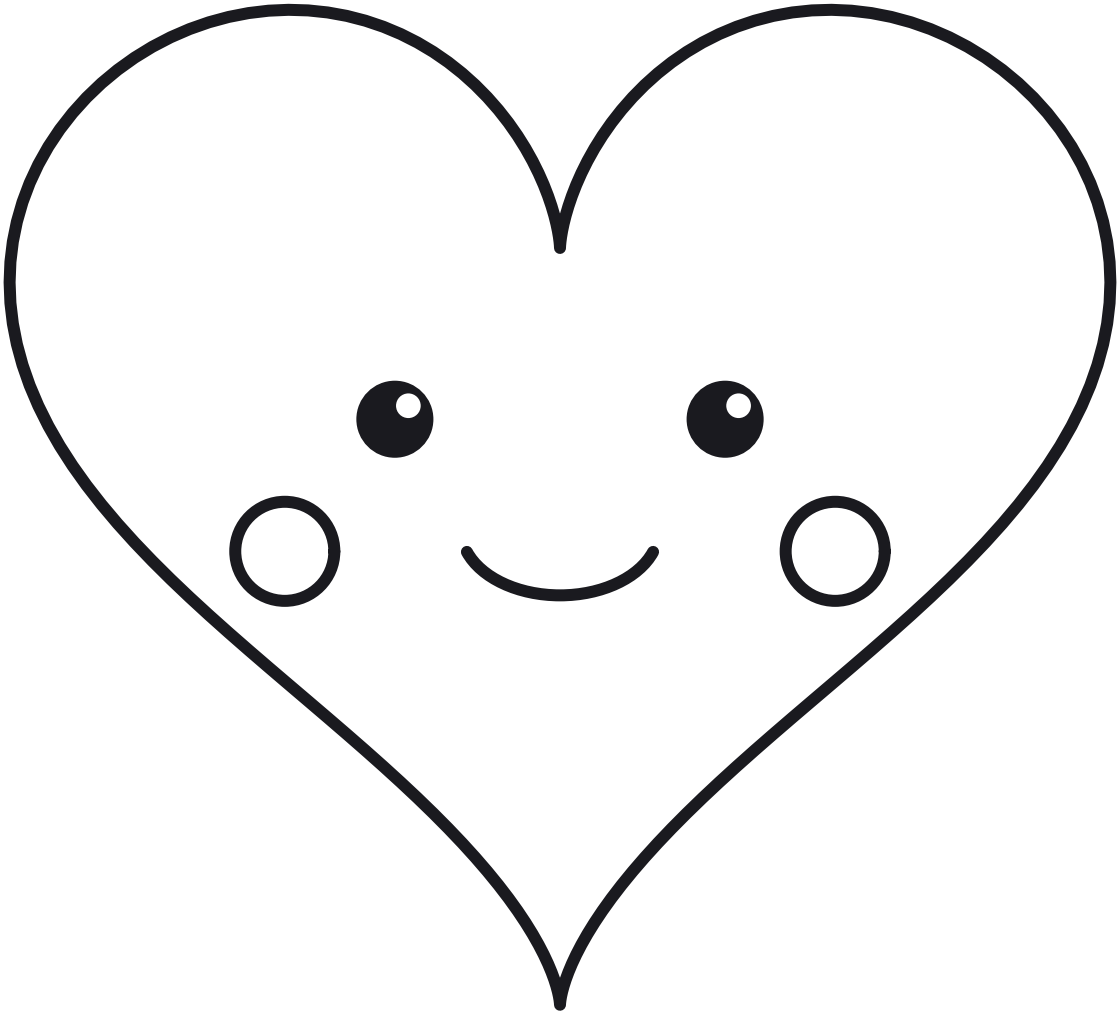

- Print at actual size (100%), not "fit to page".
- Easy pages have thick lines for crayons. Detailed pages are best with colored pencils or fine-tip markers.
- Print the valentine cards on card stock if you can. They're sturdier to cut and give.
- Every card says something kind and friendly, so they work for the whole class.

Prints on US Letter and A4.
